---

FAQs:
- What is the venue for IGNUS?
  The entire IIT Jodhpur campus is the venue for IGNUS, with various events held at different locations, including the sports grounds, auditoriums, and the main academic block.

- Is IGNUS open to non-IIT students?
  Yes, IGNUS is open to students from all colleges across India. Certain events require prior registration, while others are open to walk-in participants.

- What are the accommodation arrangements for participants?
  IIT Jodhpur offers on-campus accommodation in hostels for registered participants from other colleges. Details for accommodation are usually provided in the registration guidelines.

- How can I register for IGNUS events?
  Registrations open on the official IGNUS website (typically in January), where participants can sign up for specific events. Payment details for paid events are also mentioned.

- Are there cash prizes for winners?
  Yes, most competitions at IGNUS offer cash prizes, certificates, and other rewards. The prize amount varies depending on the event.
